Wendy Martin is treasurer of the 'Peace of Mind Childminders' group and has supported many charitable causes over the years. Earlier this year her granddaughter needed to be taken to the Queens Medical Centre in Nottingham, where she received one of the TLC teddy bears which greatly added to her recovery. Wendy was so delighted with this idea that she found the details of the TLC Nottinghamshire Chairman W. Brother Graham Riche and offered her services to help raise funds for TLC.

to date Wendy and husband Gary have already raised over £400.00 for us

, for which we are very grateful. Thank you Wendy and Gary. We are also grateful for the generosity of the Peace of Mind Childminders group for their support to Wendy and Gary.

'Peace of Mind' is a group of professional, Ofsted registered, childminders working from their homes in the Long Eaton, Sawley and Sandiacre areas of Nottingham providing quality childcare for families from these and surrounding areas. They offer care for children from a few weeks of age until their teenage years, thus providing a valuable continuity of care of both environment and carer.
