Dear Mr Riche,

Thank you so very much for your cheque for £150 from Teddies for Loving Care Nottinghamshire, which is very gratefully received.

Please pass on my sincere thanks to the organisation for donating to Spiral, Family Care's bereavement project. This is a wonderful commitment and practical support of our work with children and families.

Our work continues to grow and develop. Our emotional support work is supporting children who have experienced major family changes such as family bereavement and domestic violence. Those children who come through our adoption work have quite often been neglected by their birth parents and adoption is their chance of a stable family life.
