### Charity - Effebert Liberty Racing

At the Grand Prix of Europe, which is valid for the second round of the World Superbike Championship calendar, that will take part at Donington Park (UK) on the 25, 26 and 27th of March 2011, Liberty Media announces an initiative to support the charity "TLC NOTTINGHAMSHIRE".

This charity which since 2005 has been cooperating with hospital Accident & Emergency Units and Pediatric Departments in Nottinghamshire, and through other branches the rest of Britain, supplying special teddy bears which are used by medical staff to comfort children who have undergone treatment or to demonstrate how a procedure is to be administered.

At a Valentine's Day Lunch held in Nottingham on 13th February our team donated some Paddock Passes complete with Hospitality Service. These were auctioned to the highest bidders and the entire amount collected was donated to TLC NOTTINGHAMSHIRE, contributing significantly to the fundraising day.

During the race weekend we have also offered valuable advertising space on the suit of Sylvain Guintoli (or on his bike) that will be sold to the highest bidder, and again the entire amount collected will be donated to TLC NOTTINGHAMSHIRE.

Anyone interested in contributing to this charitable initiative please contact directly the TLC NOTTINGHAMSHIRE at the address indicated on their website, [www.tlcnottinghamshires.co.uk](http://www.tlcnottinghamshires.co.uk) or Liberty Media [www.media@liberty.es](http://www.media@liberty.es)

Attached is a letter of thanks sent to us by the TLC NOTTINGHAMSHIRE after the Valentine's Day fundraising event.
